Acknowledgment and Appreciation

*I am very grateful to Allah Almighty (SWT) for giving me the chance to finish the second volume of **A FOR ALLAH** and to be able to spread his message and promote the Islamic way of life for our lovely children once more.*

I here want to sympathise with European and American Muslims as they try very hard to strengthen their faith and maintain their Muslim identity. They also make a great effort to incorporate the Islamic culture into their lives whilst living in western countries.

I am also very grateful for the kind support of Dr. Gity Abbasi for thoughtfully reviewing the text and providing me with constructive feedback. Finally, I would like to acknowledge with gratitude, the support and love of my family, especially my eldest daughter Nazanin Zainab. They kept me going, and this book would not have been possible without them.
